TRAINING ANNOUNCEMENT

FY12 Health Risk Screening Tool (HRST) Training for Regional Nurses and DD Community Provider Nurses

The goal of this course is to address any and all on-going issues with the Health Risk Screening Tool (HRST) as it relates to quality and validity.

This training is specifically for **Regional Nurses and DD Community Provider Nurses** who use the information from the HRST and/or have questions about the HRST. It is not intended for individuals who have not previously been trained to use the HRST. The presenter for this training will be Dr. Erin Mathews, BS, DC, a chiropractic physician who has 14 years experience with the Health Risk Screening Tool and has been providing clinical support services and training in Georgia since 2006. Training will begin at 9:00am and end at 4:30pm; sign-in begins at 8:30 am.

During this training, the participants will:

- Review several areas in which specific problems continue to arise;
- Receive updated paperwork to be used in gathering information and completing ratings;
- Review examples of problematic ratings; and,
- Discuss specific problem strategies.
